Section A: Unseen Passages (10 Marks)

Passage 1: The Mysterious Lighthouse

Read the passage carefully and answer the following questions.

On a stormy night, Aanya and her younger brother, Sam, were stranded near the coast when their boat lost its way. The sea roared, and the waves crashed against the rocks. Through the heavy rain, Aanya spotted a faint light flickering from a distant lighthouse. Holding Sam's hand, she led him toward the towering structure.

The old lighthouse keeper, Mr. Grayson, welcomed them inside. He offered them dry clothes and warm soup. As they rested, he shared stories of the lighthouse's past—of lost sailors, hidden treasures, and heroic rescues. Aanya listened, fascinated, while Sam dozed off.

By morning, the storm had passed. Aanya and Sam thanked Mr. Grayson and safely returned home. But Aanya never forgot that night—the adventure, the kindness, and the mystery of the lighthouse.
